New Hampshire Tax Collectors' Association  
230 Lake Street  
Bristol, NH 03222

RE: NHTCA Annual Audit

Dear Raymah:

The members of the Finance Committee met on August 27, 2015 to examine the Association's financial records. We have found all entries made by the Association's Treasurer to be in exceptional order. All records were found to be organized and accurate. Joyce McGee continues to perform an excellent job as our Treasurer.

Due to the efforts of the Executive Board, the Association's accounts currently maintain a healthy financial status. With this in mind, the Executive Board reviewed the needs of the Association this past year and, among other things, purchased some new conference/workshop equipment for the Association. You may have noticed the new PA system and projector at the 2015 Spring Workshop. As the Board continues to embark on ways to enhance the services to our Association, we would encourage members to contact an Executive Board member with your suggestions. The Finance Committee would like to recognize the Executive Board for their continuing efforts to meet the needs of the Association while offering exceptional financial management.

With the pending retirement of long-term Finance Committee member Gail Lavalley, we would like to take this opportunity to thank her for the time and commitment she has given to the Finance Committee and to the Association. We will miss you Gail!

Thanks also to Brenda Adams of Manchester for assisting with the Audit this year. Please feel free to contact the Finance Committee with any questions you may have.

Respectfully Submitted,
