

2019 NHTCA/NHCTCA JOINT CERTIFICATION PROGRAM

This year's New Hampshire Tax Collectors' Association / New Hampshire City & Town Clerks' Association Joint Certification Program was held at Primex in Concord during the week of August 12 to 16, 2019. This year's class was well attended with an average of 65 students each day. The Recertification Class was also well attended. HAVA's updated training was full to capacity of 16 people. The remainder of the Recertification Class toured both the State Library and Vital Record Facility.

This year was our 30th Anniversary for the program and we celebrated with a graduation luncheon held at the Grappone Center in Concord. A slide show of photos played displaying photos that were taken over the 30 year period. Kathy Seaver was honored for her 30 years of dedication to this prestigious committee.
