RE: 2019 NHTCA Annual Audit

Dear Hannah:

The members of the Finance Committee met on August 26, 2019 to examine the Association's financial records. We have found all entries made by the Association's Treasurer to be in exceptional order. All records were found to be organized and accurate. Joyce McGee continues to perform an excellent job as our Treasurer.

Due to the efforts of the Executive Board, the Association's accounts currently maintain an excellent financial status. As the Board continues to embark on ways to enhance the services to our Association, the Finance Committee would like to recommend a review and cost comparison of the catering services utilized for each of the Spring Workshops. It is also suggested the Executive Board consider adding a returned check fee to the Association By-laws.

The Finance Committee would, once again, like to recognize the Executive Board for their continuing efforts to meet the needs of the Association while offering exceptional financial management. We are very fortunate to have such dedicated individuals representing our Association.

Respectfully Submitted,

Erica Anthony
